General Data Protection Regulation 2018

Due to a change in law, from 25 May 2018 we have been unable to contact you by email, post, phone or text unless you give us your consent to do so. We welcome it as a way to ensure you have more control over the communications you receive from Uffculme Bowling Club.

Can we continue to contact you by email, post, phone or text?

We would also take this opportunity of requesting your consent in allowing photographs taken at the club, in which you might appear, being published and/or displayed.

We are always mindful of how often we communicate with you and you can update your preferences at any time. We will store your personal details securely – respecting your trust and privacy – and will never share them with a third party without your permission. We will share your contact details with club members unless you specifically do not want us to.

If we haven't heard from you we will remove your name from our mailing list. However, you can, of course, contact us at any future time to request to go back onto the circulation list.

Thank you.
